Cast-iron repair sleeve

- Quick and effective, for speedy repair of bearing housings -

Advantage:

- ◆ easy handling
- ◆ quick application
- ◆ just a few cutting works
- ◆ made from grey casting (GG 25)
- ◆ short delivery delays, large ranges of stock items

Application:

- ◆ fix the casting and straighten it up
- ◆ draw up to measure *
- ◆ insert the repair sleeve (glue ** and press)
- ◆ widen the form to the bearing measure
- ◆ cut the overhanging part/material

* boring tolerance for glue: H7
boring tolerance for press: -0,05 mm

** for example: with **WEICON W 306-60**
