Dismantling- and stripping apparatus with lever

# Duplex D2 / Simplex E

## Dismantling- and stripping apparatus with lever

- Equipment to dismantle and strip multi-cored cable, for example 5 x 1,5 mm<sup>2</sup>.
- **Function**  
Put the cable between the blades towards the length-stop. Fix it with the lever and turn the disc.  
First blades dismantle the cable, second blades strip the strands.
- **Simplex E (dismantling machine)**  
Only for dismantling.

### Technical Data:

<b>Material-Ø max.</b>	up to max. ca. 11 mm
<b>Dismantling length</b>	up to 170 mm
<b>Blades</b>	each as a couple with two diameters: 2-3-4-5 mm; 2,5-3,5-4,5-5,5 mm / 6-7-8-9 mm; 6,5-7,5-8,5-9,5 mm
<b>Special blades</b>	Blades without bores for stripping the strands.
<b>Weight</b>	4,2 kg
